Make a bike trip with the family or your best friends. Look out for spring flowers!

Easter Days = The best time to meet up with old friends at your home town.

On Good Friday celebrating parties is forbidden, but what speaks against a film night with your pals?

Go to an easter fire! A lovely atmosphere - wild and romantic and a big fun!

Eat cake with your parents and grandparents and reminisce in old times.

Hunt the easter eggs with kids - no matter where, it's everywhere a big fun: in the backyard, the park, or even in the living room.
